Career Objective

Motivated and detail-oriented Computer Science graduate specializing in Artificial Intelligence and Machine Learning with strong analytical, communication, and problem-solving skills. Seeking an opportunity in the banking sector where I can contribute through technical knowledge, data handling abilities, teamwork, and customer-focused solutions while continuously learning and growing professionally.

Education

Veltech University, Chennai

2021 – 2025

Bachelor of Technology in Computer Science and Engineering
Specialization: Artificial Intelligence and Machine Learning

Technical Skills

- **Programming Languages:** Python, Java, SQL, JavaScript
- **Web Technologies:** HTML5, CSS3, React.js, Django
- **Data Analysis Tools:** Pandas, NumPy, Power BI, Tableau
- **Cloud & Tools:** AWS Cloud Practitioner, Git, VS Code
- **Office Skills:** MS Word, Excel, PowerPoint, Documentation Work

Projects

Unified Government Schemes Web Portal

- Developed a centralized web portal providing information about multiple government schemes.
- Implemented search and filtering features for easier accessibility and user navigation.
- Built responsive frontend and backend data handling systems.

Online Shopping Mart – Full Stack E-Commerce Platform

- Developed a responsive e-commerce application with secure authentication and order management.
- Designed REST APIs for frontend and backend communication.
- Improved user experience through responsive UI design.

Cryptocurrency Market Analysis and Prediction

- Built forecasting models using Python and machine learning techniques.
- Performed data preprocessing and trend analysis using real-time datasets.
- Improved analytical and problem-solving skills through data interpretation.

Certifications

- AWS Certified Cloud Practitioner
- AI/ML for Geodata Analysis – ISRO
- Artificial Intelligence Fundamentals – IBM
- Machine Learning using Python – Infosys Springboard
- Power BI – Infosys

Soft Skills

- Communication Skills
- Teamwork and Collaboration
- Problem Solving
- Analytical Thinking
- Customer Handling
- Quick Learning Ability
- Typing and Documentation Skills
